

Mr. Betty Lucero,

My name is Justin Puel. I am currently an Inmate  
in Colorado State Prison (CSP).

I am writing concerning Pending Robbery & Kidnapping Case  
I have in California in San Bernardino County in the  
City of Fontana. The court house is located on Arrow Blvd.  
in the City of Fontana.

What I am writing about is that I want to file a  
speedy Interstate extradition act to tell California to come  
get me in 180 days for trial or drop charges. I have been  
trying to get this done for over 6 months now and have been  
getting the run around about getting the proper papers to get  
this taken care of. I put in a request for the legal assistance  
here at CSP concerning this and today he referred me to you.  
name is Mike Vetran. He said you are the only one who can  
help me with this. Please help me get this Paperwork taken care of  
as soon as possible so I can get this resolved one way or the  
other and get this behind me. I'm so tired of not being given the  
chance to take care of these things. Please help.

Sincerely,

Justin Puel
