RE: RUEB, JUSTIN                      CDOC# 94567                      Your Case# ROBBERY & KIDNAPING

Dear Mr. Stout:

Please find attached a request for speedy disposition from CDOC inmate Justin Rueb concerning a San Bernardino County case. Mr. Rueb is presently an inmate in the Colorado State Prison serving a 12-year Jefferson County sentence for Burglary, 2 5-year sentences for Assault, and 2 2-year sentences for Escape. He is scheduled to meet the Parole Board 03/2004, has an estimated parole eligibility date of 06/11/2004 and an estimated mandatory release date of 06/11/2011.

As Mr. Rueb is wishing to resolve these apparent charges and there is no active detainer lodged with this Department, the attached request for speedy disposition is provided to your office so appropriate action can be taken to resolve this case within statutory time frames.

If I can be of assistance in any way, please let me know.

Sincerely,

Kerri LeCount  
Detainer Operations
